1. New personalities transferred to the Büro für Wirtschaftsfragen include (fnu) Schwarz as chief of Hauptabteilung IV and former German Army General Brandt in the same Hauptabteilung. Brandt is about 64 years of age, was previously a member of the HVDVP, and more recently served as Leiter of the VP Bereitschaft Prora. From the latter position he was transferred to the Ministry for Industry where he was assigned to the Abteilung für Innere Reserveen.
2. (fnu) Franke of the Büro für Wirtschaftsfragen has not been placed in any Hauptabteilung, and it appears that he is assigned to some special duty. He has access to all records and files.
3. As of the date [REDACTED], Hauptabteilungen III and IV appeared to be doing little or nothing. Most of the personnel of the latter had gone to Rostock and Warnemünde until the end of July 1951 to assist in the work of the shipyards and docks there.
